

Analysis of Jamestown Occupations Bar Graph

After you've completed your bar graph, consider the following questions and write your answers on this sheet.

What do you notice about your graph? Does anything surprise you?

**What does this graph tell you about what the Virginia Company found to be important?
Do you agree with them?**

Why do you think the Virginia Company sent this particular group of people?

Which jobs do YOU think were the most important?

Are there any occupations or groups missing from the list that surprises you?

Do you think there were enough people with each occupation for the settlement to be successful? Was it balanced well? Why or why not?

How do you think the choices of the Virginia Company affected the settlers?
